

BIOOTHERM

DRY SKIN

AQUAPOWER: MEN

Main ingredient: Life Plankton™, pure thermal plankton extract that contains 35 nutrients, proteins, vitamins, amino acids, glucids, lipids and trace elements that help revive the skin's vital functions and which are essential to its health.

Basic routine: cleanser >> toning lotion >> moisturizing gel (comfort or advanced)

1. Aquapower Facial Cleanser

Main ingredients: Life Plankton

Texture: cooling gel to creamy foam

How to use: morning and night; use a dab of product and apply on the wet face, avoiding eye-area. Lather the cleanser with light circular motions and rinse with water; pat your face dry

Instant **refreshing** and **revitalizing**; dual-action formula **removes impurities while nourishing the skin barrier**. **Gentle** on the skin, with **non-stripping** cleansing agents to attract and rinse away daily dirt. **Suitable for all skin types**; for dry, **dull** complexions. It **replenishes lost moisture** to leave the skin **soft, bright** and **smooth**. Its hydrating texture makes it **ideal pre-shave**, supporting an easy glide and fresh finish. **Use as the first step** in your skincare program morning and night, before following with your favorite lotion, serum and cream.

2. Aquapower Lotion

Main ingredients: Life Plankton, blend of nourishing plant oils and oligo sugars

Texture: milky, refreshingly light texture, quick-absorbing

How to use: apply directly after shaving, on rinsed, dry skin, avoiding the eye area. No rinsing needed.

Replenishing skin with **moisture**, the lotion **hydrates, tones** and **soothes** the skin, while helping to **prevent razor burn**. The formula utilizes Life Plankton, a nutrient-rich active, to instantly **refresh the skin**. Supported by a blend of nourishing plant oils and oligo sugars, **the men's toner works to minimize feelings of sensitivity and tightness upon application**, while **lessening the appearance of redness**. Use before moisturizing for soft and supple results.

3A. Aquapower Comfort Gel Moisturizer

Main ingredients: Life Plankton™, blend of nourishing plant oils and oligo sugars

Texture: gel-cream hybrid; ultra-light and breathable water-gel texture. Non-sticky, non-oily. Immediate cooling effect. Quick penetration. Fast absorbing.

How to use: morning and/or evening, depending on the skin needs (e.g. maybe in the evening the customer would prefer something richer), it can be cleansing your skin with the right face cleanser, after finishing your shaving routine, or anytime you feel you have dry or dehydrated skin; pump **one dose** onto the palm of the hand and using both hands, smooth over the face in an outward motion, starting from the centre; finish with the neck, avoid eye area

Refresh and **nourish** the face. It tackles dryness and external aggressors to leave skin feeling comfortable. It **hydrates without the heaviness**, designed specifically for the needs of men's skin. The formula provides **a cooling effect after application**, providing both **immediate and long-lasting freshness that is favored post-shave**. With an innovative eco-designed airless glass bottle and hygienic pump.

3B. Aquapower Gel Advanced Moisturizer (*alternatively*)

Main ingredients: Biotech Plankton TM and Vitamin C, plus 2% Niacinamide

Texture: gel-cream hybrid; ultra-light and breathable water-gel texture. Non-sticky, non-oily. Immediate cooling effect. Quick penetration. Fast absorbing.

How to use: apply to a cleansed skin, morning and/or evening; pump **one dose** onto the palm of the hand and using both hands, smooth over the face in an outward motion, starting from the center; finish with the neck, avoid eye area

Discover the new Aquapower advanced gel, formulated **for deep hydration**. Skin feels **immediately moisturized, strengthened, hydrated, brightened and powered up** with

To advance the routine:

Aquapower 72 Hour Moisturizer (*might be an alternative to the moisturizing gels or an additional step*)

Main ingredients: Life Plankton, a blend of mannose and hyaluronic acid

Texture: ultra-light, gel-like, aquatic consistency, instant cooling sensation upon application

How to use: apply a dose onto the palm of your hand and using both hands, smooth over the face in outward pattern, starting from the center and finish by the neck, avoid eye-contour, morning and/or evening on cleansed skin after shaving

This 72 hour Moisturizer is a **long-duty face cream** for men that **provides up to 72 hours of hydration**. It's an ultra-light men's facial moisturizer that works dually to **recharge the skin and support its function**, leaving it **refreshed** and **rejuvenated**. The formula protects against drying environmental elements, locking in nourishment to support a stronger skin barrier.

Soothing and Nourishing After-Shave

Main ingredients: Life Plankton™, pure thermal plankton extract that contains 35 nutrients, proteins, vitamins, amino acids, glucids, lipids and trace elements that help revive the skin's vital functions and which are essential to its health

Texture: leave-on, rich and nourishing balm that envelops the skin in a soothing and comforting sensation

How to use: apply directly after shaving, on rinsed, dry skin, avoiding the eye area. No rinsing needed.

A moisturizing and soothing balm, "Cashmere" technology, to **fight against skin discomfort and shaving sensations**. Its unique formula reproduces the benefits and sensations of cashmere on the skin. **It leaves on the skin the incredible lightness of a lotion and all the comfort of a balm**. Its rich texture both enveloping and soothing, penetrates instantly for extreme aftershave comfort without greasy effect.

Bodycare + haircare: Aquapower Showergel

Main ingredients: cleansing Coco-Betaine, Salicylic Acid and Life Plankton™ to softly cleanse the skin, leaving it smooth and hydrated

Texture: cooling, fresh gel texture that transforms into a light foam. Easy to rinse off, it leaves the skin perfectly clean and soft

How to use: apply on wet body and hair, gently lather, massaging it into your skin and hair then rinse thoroughly and pat dry; follow up with a body moisturizer for perfectly cleansed and hydrated skin for ultimate hydration

This refreshing body wash for men **gently cleanses the body and hair by eliminating toxins and impurities**. Its paraben free formula enriched with Life Plankton™ water leaves a powerful sensation of hydration and intense freshness on the skin. Amplified by Blue sciences, this shower gel is fueled by the power of natural ingredients and the packaging integrates recycled materials.

BODYCARE:

Lait Corporel Moisturizing Lotion

Main ingredients: Life Plankton™ combined with antioxidant vitamin E and nourishing lipids

Texture: quick-penetrating body milk with citrus essences, a delicate fragrance and light texture that is neither sticky nor greasy; ultra-light formula, quick and easy to apply, releasing a delicate and smooth finish on the skin. Easily absorbed into the skin.

How to use: apply daily, all over the body to cleansed and dried skin; pour into the palm of your hand and massage into the skin.

This nourishing body milk combats **dryness by delivering up to 48 hours of intense hydration**. It helps to **smooth and refine skin texture**, while restoring **barrier strength** to defend against environmental aggressors. Ingredients are working to **rehydrate skin and reduce flakiness**. Absorbing quickly for a residue-free finish, the lightweight lotion is enhanced with citrus extracts for a **brightening effect** and refreshing scent.

Oil Therapy Body Lotion

Main ingredients: Life Plankton™, Musk Rose Oil, Passiflora Oil and Apricot Oil

Texture: emollient, melting, quickly-absorbed body lotion with a delicate and fresh apricot scent

How to use: apply daily, all over the body to clean and dry skin; pour into the palm of your hand and massage into the skin, focus on the rougher skin areas

A nutri-replenishing body treatment enriched with apricot oil for a 24h nourished, supple and soft skin.

Apricot scented, it smooths and softens the skin for 24hours nourishment.

MUSK ROSE OIL: rich in essential fatty acids with regenerating and strengthening.

PASSIFLORA OIL: omega 3 & 6 with nourishing and perfecting properties.

APRICOT OIL: rich in vitamin a & e with softening and smoothing properties.

Lait Corporel Body Butter

Main ingredients: Life Plankton™, shea butter, Apricot Oil, Orange Peel Oil

Texture: rich balmy texture that quickly penetrates the skin without leaving it feeling greasy

How to use: apply daily, all over the body to cleansed and dried skin; massage into the skin with your hands

Find the invigorating citrus scent of the legendary Body Milk and succumb to the texture of this new body care delicately enriched with shea butter. Specially designed **for dry to very dry skin**, Body Butter gives your skin **softness** and **intense hydration**, without leaving a greasy film. This anti-drying butter **soothes**, **repairs** and **protects your skin**.

2. OILY SKIN

T-PUR: MEN

T-Pur Anti-Oil and Shine Purifying Cleanser

Main ingredients: sea minerals complex (anti-bacterial sea algae extract + zinc) and absorbing mineral perlite

Texture: white clay-like facial cleanser has a unique pumice-based scrub texture that turns into a gentle lather to unclog pores, cooling effect

How to use: use every morning before shaving and at the end of the day, apply a small amount all over the face, lather in circular movements avoiding the eyes, rinse thoroughly with lukewarm water.

T-pur facial cleanser helps to **protect skin against shine**. **Excess sebum is neutralized, excess sweat is reduced**. Skin is **radically mattified and feels neat and clean all day long**. Its white clay-like texture helps neutralizing impurities caused by dust, sebum, pollution and sweat.

After 4 weeks of usage, skin looks more purified, cleaner and healthier; impurities are eliminated and pores are unclogged and tightened.

T-PUR Moisturizing Gel

Main ingredients: purifying French sea salts

Texture: lightweight gel texture is quickly absorbed, hydrating the skin and leaving it with a non-sticky, non-greasy, matte finish, quick-absorbing.

How to use: every morning and evening on cleansed skin, pump one dose of gel into the palm of the hand and using both hands, smooth over the face in an outward pattern starting from the center, avoiding the eye contour. Finish by the neck.

This **ultra-mattifying gel moisturizer** instantly **absorbs skin excess sebum and shine**, leaving skin **matte** and **moisturized for 8H**, even under extreme conditions. It makes skin feel less oily for a smoother and clearer appearance. The iconic product and formula you love, now made with an innovative eco-designed glass packaging. Amplified by BLUE SCIENCES: fueled by the power of natural ingredients. For **normal to oily skin**.

To complete the routine, you will look for a serum with either salicylic acid or moisturizing ingredients.

3. SENSITIVE SKIN

AFTER SHAVE CARE: MEN

Aquapower Lotion

Main ingredients: Life Plankton, blend of nourishing plant oils and oligo sugars

Texture: milky, refreshingly light texture, quick-absorbing

How to use: apply directly after shaving, on rinsed, dry skin, avoiding the eye area. No rinsing needed.

Replenishing skin with **moisture**, the lotion **hydrates, tones** and **soothes** the skin, while helping to **prevent razor burn**. The formula utilises Life Plankton, a nutrient-rich active, to instantly **refresh the skin**. Supported by a blend of nourishing plant oils and oligo sugars, **the men's toner works to minimize feelings of sensitivity and tightness upon application**, while **lessening the appearance of redness**. Use before moisturizing for soft and supple skin.

Soothing and Nourishing After-Shave

Main ingredients: Life Plankton™, pure thermal plankton extract that contains 35 nutrients, proteins, vitamins, amino acids, glucids, lipids and trace elements

Texture: leave-on, rich and nourishing balm that envelops the skin in a soothing and comforting sensation

How to use: apply directly after shaving, on rinsed, dry skin, avoiding the eye area. No rinsing needed.

A moisturizing and soothing balm, "Cashmere" technology, to **fight against skin discomfort and shaving sensations**. Its unique formula reproduces the benefits and sensations of cashmere on the skin. **It leaves on the skin the incredible lightness of a lotion and all the comfort of a balm**. Its rich texture both enveloping and soothing, penetrates instantly for extreme aftershave comfort without greasy effect.

After-shave Emulsion

Main ingredients: shea butter, Life Plankton,

Texture: leave-on emulsion with the rich & nourishing texture of a balm that envelops the skin in a soothing and comforting sensation

How to use: apply directly after shaving, on rinsed, dry skin, without rinsing. Avoid eye area - in case of contact with eye, rinse thoroughly.

This alcohol-free (ethanol free) after-shave emulsion is **tested under dermatological control on sensitive skin**. It **soothes the burning sensations** and **reduces irritations caused by shaving** for **smoother and more comfortable skin**

4. NORMAL TO COMBINATION SKIN

Biosource Purifying Foaming Cleanser

Main ingredients: balancing zinc, enriched with micro-beads

Texture: light gel that transforms into a gentle lather upon application. Easy to rinse-off, it leaves the skin clean and soft

How to use: daily, gently massage into wet skin using circular motions until the foam forms, rinse with lukewarm water, avoid eye-area

This translucent cleansing gel produces a gentle lather that combines cleansing with in-depth exfoliation. Rids skin of impurities and dead skin cells, the skin is stimulated, smoothed, and looks more even. The complexion is instantly radiant and prepared for hydration. Exfoliating cleansing gel for **Normal To Combination Skin**. Daily use.

Biosource Hydrating & Tonifying Toner

Main ingredients: Life Plankton

Texture: soft and refreshing toner that gently cleanses the skin while invigorating it

How to use: soak a cotton pad with toner and smooth over the entire face starting from the center and moving outwards; repeat until the cotton pad wipes clean

Toning the skin is one of the most important steps of your daily skin care routine. **This refreshing face toner reaches the deep dirt that cleansers cannot**. More than a simple toner, it works as an **exfoliant, ridding your skin of impurities and dead cells**, revealing its natural **radiance**. **Tones** and **leaves** skin feeling clean and fresh. **Normal to combination skin**.

Aquathermale Shower Gel

Main ingredients: Life Plankton

Texture: fresh gel texture that turns into a lightweight, easy-to-rinse-off foam that gently cleanses the skin

How to use: apply onto wet body, massage and lather, then rinse

Bring Spa-like experience to your own home. This shower Gel will cleanse your body, brighten and soothe the skin while hydrating it, leaving you energized and refreshed.

5. ANTI-AGING

FORCE SUPREME: MEN

FORCE SUPREME line is designed to address the unique needs of mature skin types, offering advanced anti-aging products that target fine lines, wrinkles and a loss of firmness. The range includes creams, serums, eye treatments and face masks that work as a comprehensive skincare routine to reduce the visible signs of aging.

Main ingredients (may vary from product to product):

- **BLUE ALGAE EXTRACT:** rich in **proteins, amino-acids, and vitamins**, sourced in Klamath Lake (rare and protected ecosystem in Oregon, US); harvested during its peak reproductive season and dried using a patented bioscience technique. They **boost collagen** and **help restructure aging tissue to smooth wrinkles**.
- **PRO-XYLANE™:** **boosts the production of GAGs** (glycosaminoglycans) for more **hydrated and firmer skin**
- **LIFE PLANKTON™ PROBIOTIC EXTRACT:** **stabilize skin and rebalance moisture** by **increasing the production of its essential constituents** and **reactivating skin cell renewal**. Contains **35 nutrients** that deliver intense regenerating hydration for **soothed, soft and luminous skin**. 100% natural, renewable and biodegradable.

Basic routine: Cleanser >> Serum >> Rich Cream or Light Moisturizing Gel

1. Force Supreme Anti-Aging Cleanser

Main ingredients: blue algae, cedar bud extract + smoothing micro-spheres (exfoliator)

Texture: creamy and foaming with exfoliating microparticles for instant smoothing of the skin; cooling and comfortable

How to use: before shaving every morning + evening; lather gently all over the face **avoiding eye-area**, rinse with luke-warm water

Skin type: mature/aging, sensitive, normal, combination

2in1 face wash and exfoliator for **daily use** that deep cleans, removes dead cells and impurities and provides **youth-boosting benefits** thanks to a blend of **blue algae** and **cedar bud extract**. Ingredients work in unision to **protect against elasticity loss** and **support cellular regeneration**. This creamy cleanser features smoothing micro-spheres to gently **decongest the pores** and **exfoliate** which helps to **refine the skin texture, prevent discoloration, pigmentation and dark spots**.

2. Force Supreme Blue Serum [LP-XR]

Main ingredients: **Pro-Retinol**, signature aquatic micro-organism Life Plankton, re-densifying Pro-Xylane

Texture: gel-like, quickly absorbing

How to use: apply onto cleansed skin, morning and/or evening alone or before the cream; apply 1-2 pumps with gentle strokes, smoothing the product outwards, from the center of the face - for best result, use a gentle massage: using your indexes and thumbs, pinch the skin tissues and twist simultaneously on

both sides of the face. Target the oval of the face and cheekbones. Repeat 3x.

Skin type: aging, sensitive (if irritation occurs, stop using), normal, combination

It **visibly corrects 10 signs of aging*** to leave skin looking **firmer, smoother** and **more youthful**.

Formulated to hydrate and protect the skin barrier, with Pro-Retinol, the formula helps to **minimize the appearance of fine lines, wrinkles** and **uneven skin tone**. The aquatic micro-organism Life Plankton™ with 35 nutrients is combined with re-densifying Pro-Xylane™ to **improve elasticity, contour definition** and **firmness**.

**firmness, elasticity, tightness, contour definition, wrinkles, fine lines, refined texture, skin strength, complexion and tone evenness*

3A. Force Supreme Youth Architect Cream

Main ingredients: Youth Algae™ extract, Life Plankton™ and Pro-Xylane,

Texture: non-sticky, silky, lightweight **cream-gel** texture, absorbs quickly, free of any greasy residue

How to use: every morning and/or evening onto cleansed skin, place a dose onto the palm and using both hands smooth over the face in an outward pattern starting from the center, finish by the neck, avoid eye-area

Skin type: all skin types

Advanced 3in1 formula works to **tone, firm** and **strengthen** skin and leave it **replenished with moisture**. Specifically formulated **for men over 40**, to visibly **enhance facial contours, strengthen the skin barrier**, and **soften fine lines** for a revitalized appearance.

|

3B. Force Supreme Anti-Aging Moisturizing Gel (*alternative to cream*)

Main ingredients: Blue Algae Extract, Pro-Xylane, Life plankton™ probiotic extract

Texture: ultra-fresh & thin-on-skin, and non-sticky lightweight smooth **gel-cream** texture that penetrates the skin quickly to energize it

How to use: use every morning and evening on a cleansed face, gently smooth in outwards motions, from the center of the face towards the edges, can be used alone (for people who prefer a lighter texture over a rich cream) or before face cream

Skin type: all skin types, including mature

Fortified with **energizing blue algae extract** and **pro-xylane**, it helps to fight the signs of aging, wrinkles and loss of skin structure. **The protein-rich blue algae extract** gives the appearance of **plump skin** and **helps stimulate collagen production**. Pro-xylane, a molecular xylose derivative, seeks to **lock water** into every layer of the skin, helping to **maintain bounce, brightness** and **elasticity**.

To advance this routine add:

1. Force Supreme Eye Architect Serum

Main ingredients: Caffeine, Blue Algae Extract, Japanese Cedar Bud extract, Adenosine

Texture: deep-penetrating, quickly absorbed **gel-serum**, ultra-fresh, non-greasy and non-shiny

How to use: daily morning and/or evening, massage into the eye-area with fingers or with a cold applicator for the best de-puffing anti-bags effect

It **smooths** the look of fine lines, while **firming** and **refreshing** skin, giving your eye area a rested look. The **cooling innox applicator works like a post-workout recovery for your eyes**, gliding across the skin to **reduce puffiness**. Ideal for daily use, whether starting your day or winding down, the anti-aging eye serum delivers optimal results for a firmer, more refreshed appearance. **all skin types, including sensitive, mature.**

2. Force Supreme Life Peel Essence

Main ingredients: exfoliating glycolic and salicylic acids, soothing Biotherm Life Plankton™

Texture: lightweight, non-sticky and fast-absorbing, watery; essence-like texture

How to use: shake before use, use daily morning & evening, after cleansing but before moisturizer; gently smoothe over the skin and pat until absorbed and proceed with skincare; avoid eye and lip areas. In case of contact with eyes, rinse thoroughly with lukewarm water. Avoid sun exposure after application or use an SPF 30 or +. In case of persistent irritation, stop using the product.

Anti-fine lines and **pore-tightening peel** adapted to suit the needs of **sensitive skin**. The ingredients **remove dead skin cells, reduce the appearance of wrinkles, resurface texture** and **minimize pores**. **Gentle on sensitive skin**. Skin is smooth, refined and prepped for subsequent products in your anti-aging skincare program. *100% vegan, 99% biodegradable and 98% natural formula.* **Skin type:** mature/aging, sensitive, normal, combination

3. Force Supreme Lotion

Main ingredients: cedar bud extract, pro-xylane, life plankton extract

Texture: light-weight lotion

How to use: shake before use, on clean skin after shaving, apply by splashing onto dry skin or with a cotton pad.

Skin type: all skin types

Corrects and helps improve the signs of aging. The **alcohol-free** lotion is powered by two unique active ingredients, cedar bud extract and pro-xylane to **minimize the appearance of wrinkles**, all while **plumping, brightening** and **strengthening**. Suitable for **all skin types**, the lightweight anti-aging lotion is blended with life plankton extract for a hit of **refreshing hydration**.

4. Force Supreme Black Mask Night Care

Main ingredients: Life Plankton™, pure thermal plankton extract that contains 35 nutrients, algae extract

Texture: a night face mask with a black gel-cream texture that melts into the skin to re-energize it deeply

How to use: apply a generous amount to clean face and neck every evening, gently massage for 1min avoiding lips and eyes, do not rinse

Regenerating care, enriched with algae extract cultivated in the dark, has a "fusion texture". The skin appears replenished with new energy overnight. It appears **vital** and **resistant**. The skin appears **firmer**, and **wrinkles are reduced**. All skin types.

6. REDNESS (SHAVING): MEN

Cleansing Gel

Main ingredients: Life Plankton™

Texture: refreshing gel texture that turns into a light foam upon application. Easy to rinse off, it leaves the skin perfectly clean and soft

How to use: apply onto a wet face, gently lather with small circular movements, avoiding eye area. Rinse with lukewarm water.

This Biotherm Homme cleanser thoroughly cleanses and rids skin of impurities while prospecting the skin's surface. **Preps skin for shaving without leaving a greasy film on the skin, leaving it clean, fresh, and toned.** It's a **deep-cleansing** product suitable for **all skin types**, it's gel formula gently cleanses the skin without irritating it.

Soothing and Nourishing After-Shave

Main ingredients: Life Plankton™, pure thermal plankton extract that contains 35 nutrients, proteins, vitamins, amino acids, glucids, lipids and trace elements that help revive the skin's vital functions and which are essential to its health

Texture: leave-on, rich and nourishing balm that envelops the skin in a soothing and comforting sensation

How to use: apply directly after shaving, on rinsed, dry skin, avoiding the eye area. No rinsing needed.

A moisturizing and soothing balm, "Cashmere" technology, to **fight against skin discomfort and shaving sensations.** Its unique formula reproduces the benefits and sensations of cashmere on the skin. **It leaves on the skin the incredible lightness of a lotion and all the comfort of a balm.** Its rich texture both enveloping and soothing, penetrates instantly for extreme aftershave comfort without greasy effect.

Aquafitness Shower Gel

Main ingredients: ocean water and oligoelements & minerals

Texture: light gel formula that transforms into a gentle foam when applied. It easily rinses off, leaving your skin perfectly clean and soft

How to use: apply on wet body and hair, gently lather, massaging it into your skin and hair then rinse thoroughly and pat dry; follow up with a body moisturizer for perfectly cleansed and hydrated skin for ultimate hydration

Formula with ocean water and oligoelements & minerals. Instant freshness and revitalizing effect. Leaves hair soft. Skin feels moisturized. It's cleansing, hydrating and energizing. Smooths and revives the skin. No parabens.

7. BODY CARE

Life Plankton™ Multi-Corrective Body Milk

Main ingredients: high concentration of our advanced Life Plankton™ complex; a blend of botanical oils and shea butter

Texture: easy-to-apply milky texture, leaving a refined musky veil on your skin, quick-absorbed

How to use: apply daily, all over the body to cleansed and dried skin; pour into the palm of your hand and massage into the skin

It instantly **nourishes** the skin to leave **smooth, supple** results. The **silky-soft formula plumps the skin with moisture** to minimize the look of uneven textures, while lending its nutrient-rich benefits to **visibly brighten and unify tone over time**. It encourages a firmer appearance, alongside providing light, non-oily hydration, making it an **ideal lotion for sensitive skin**.

Life Plankton™ Multi-Corrective Body Oil

Main ingredients: Life Plankton™ Water

Texture: fresh oil with a musky fragrance that glides effortlessly onto the skin for quick absorption, leaving no oily residue.

How to use: apply morning and/or evening onto a cleansed skin; use a generous amount of oil and massage it all over your body, paying special attention to extra dry areas, do not use on chapped skin

Multi-corrective body oil enriched with Life Plankton™ Water to deliver visible results in 28 days It repairs the skin, hydrates and is perfect for dry to normal skin types. It reduces the appearance of stretch marks.

Lait Corporel Moisturizing Lotion

Main ingredients: Life Plankton™ combined with antioxidant vitamin E and nourishing lipids

Texture: quick-penetrating body milk with citrus essences, a delicate fragrance and light texture that is neither sticky nor greasy; ultra-light formula, quick and easy to apply, releasing a delicate and smooth finish on the skin. Easily absorbed into the skin.

How to use: apply daily, all over the body to cleansed and dried skin; pour into the palm of your hand and massage into the skin.

This nourishing body milk combats **dryness by delivering up to 48 hours of intense hydration**. It helps to **smooth** and **refine skin texture**, while restoring **barrier strength** to defend against environmental aggressors. Ingredients are working to **rehydrate skin and reduce flakiness**.

Oil Therapy Body Lotion

Main ingredients: Life Plankton™, Musk Rose Oil, Passiflora Oil and Apricot Oil

Texture: emollient, melting, quickly-absorbed body lotion with a delicate and fresh apricot scent

How to use: apply daily, all over the body to clean and dry skin; pour into the palm of your hand and massage into the skin, focus on the rougher skin areas

A nutri-replenishing body treatment enriched with apricot oil for a 24h nourished, supple and soft skin. Apricot scented, it smooths and softens the skin for 24hours nourishment.

MUSK ROSE OIL: rich in essential fatty acids with regenerating and strengthening.

PASSIFLORA OIL: omega 3 & 6 with nourishing and perfecting properties.

APRICOT OIL: rich in vitamin a & e with softening and smoothing properties.

Lait Corporel Body Butter

Main ingredients: Life Plankton™, shea butter, Apricot Oil, Orange Peel Oil

Texture: rich balmy texture that quickly penetrates the skin without leaving it feeling greasy

How to use: apply daily, all over the body to cleansed and dried skin; massage into the skin with your hands

Find the invigorating citrus scent of the legendary Body Milk and succumb to the texture of this new body care delicately enriched with shea butter. Specially designed **for dry to very dry skin**, Body Butter gives your skin **softness** and **intense hydration**, without leaving a greasy film. This anti-drying butter **soothes**, **repairs** and **protects your skin**.

Biomains Hand Cream

Main ingredients: Life Plankton™, vitamin F, D-panthenol, Glycerin

Texture: soft, hydrating, light cream texture which is immediately absorbed, with a fresh aromatic scent

How to use: massage daily into hands and nails

An age-delaying and nail strengthening hand cream for hydrated and younger looking hands. It creates a protective layer on the hands. Hydrating, nourishing and soothing – this cream improves skin's texture, leaving them

the appearance of signs of aging: regular use delays signs of aging and appearance of brown spots thanks to an anti-free radical system.
